Sir:

This Request For Reconsideration is filed in response to the Decision On Petition Under 37 CFR 1.47(a) mailed April 8, 2002. A copy of the Decision is enclosed.

REQUEST FOR RECONSIDERATION

On page 2 of the Decision On Petition Under 37 CFR 1.47(a) mailed April 8, 2002, the examiner states "Mr. Schoppe states a request was submitted to the residence registration office in Erlangen and the telephone inquiry office. These are not documented. Further, a statement should outline what steps, e.g., internet searches, were taken to locate Mr. Rump beyond searching in Erlangen."

Enclosed please find a copy of the Supplement To Statement Of Facts signed by Mr. Fritz Schoppe, the German attorney handling the instant application. Also enclosed are the English translations of the four documents listed in the Supplement To Statement Of Facts.

Doc. 6477

Serial No. 09/913,690

Request For Reconsideration in response to

Decision mailed 4/8/02

Page 1

While the petition was being considered, Mr. Niels Rump, the inventor, contacted the office of the German patent attorney with his current mailing address. Therefore, a Combined Declaration And Power Of Attorney was prepared, and the executed document is enclosed. Since the document would be late without the allowance of the petition, this request for reconsideration of the petition is also being enclosed.

Since the above-mentioned Combined Declaration And Power Of Attorney was executed, it has come to the undersigned attorney's attention that the signature page is incomplete; i.e., the other two inventors are not shown on the signature page. A revised Combined Declaration And Power Of Attorney was sent to Mr. Rump on May 22, 2002. A copy of the revised Combined Declaration And Power Of Attorney and letter is also enclosed. Attempts to reach Mr. Rump to follow up on the package mailed May 22, 2002 have proven unsuccessful, as shown in the Supplement To Statement Of Facts signed by the undersigned attorney's secretary, Elaine C. VonSpreckelsen.

Since this is a situation the undersigned attorney has never before encountered, if everything needed to provide a filing date as of August 16, 2001 is not enclosed, please call the undersigned attorney.

For the reasons given above, the entrance of the instant application and its reconsideration is respectfully requested. The late entry fee for Mr. Rump's Combined Declaration And Power Of Attorney in the amount of \$130.00 is enclosed. If any additional fee is due, please charge it to Deposit Account No. 50-1848.

Respectfully submitted,
PATTON BOGGS LLP

SUPPLEMENT TO STATEMENT OF FACTS

Following are the details of the efforts to reach inventor Niels Rump:

1. On June 5, 2002, the undersigned accessed the Internet to determine the phone number of Mr. Niels Rump. A search was made in Kent County, England for "Rump, N", and an additional search was made in Germany for "Rump, N".
2. The Internet search in Kent County, England, yielded the name and phone number of N.A Rump as shown on the attached printout. On June 6, 2002, the undersigned telephoned N.A Rump and found out that this listing belonged to a Ms. Rump, and that there was no Mr. Rump at this number.
3. The undersigned asked Sarah Miller, a paralegal in the office of Patton Boggs LLP who can speak German with some fluency, to contact the listings for "Rump, Niels" in Germany as shown on the attached printout. On June 6, 2002, Sarah Miller tried the first listing in Erlangen and found the number was disconnected. Sarah contacted Mrs. Rump at the second listing and explained that we were looking for Niels Rump, the first inventor in the above-referenced application. Mrs. Rump did not know if her husband was the inventor we were seeking, but would have him call Sarah if he was, in fact, the inventor when he returned home that evening. Since Germany is eight hours ahead of the undersigned's office time, it was determined that Mr. Rump was not the inventor since no phone call was received by 4:30 p.m. MDT (12:30 a.m. in Germany).

I hereby certify that I am the person who has firsthand knowledge of the details of this Statement Of Facts as required to meet the requirements of 37 CFR 1.47(a).

DECISION ON

PETITION UNDER

37 CFR 1.47(a)

This is a decision on applicants' "Statement of Facts In Support of Filing On Behalf of Nonsigning Inventor (37 C.F.R. Section 1.47)," filed in the United States Patent and Trademark Office (USPTO) on 24 January 2002.

BACKGROUND

On 15 December 1999, applicants filed international application PCT/EP99/09980, which claimed a priority date of 16 February 1999. A copy of the international application was communicated to the United States Patent and Trademark Office (USPTO) from the International Bureau on 24 August 2000. A Demand for international preliminary examination, in which the United States was elected, was filed on 13 September 2000, within nineteen months from the priority date. Accordingly, the thirty-month period for paying the basic national fee in the United States expired at midnight on 16 August 2001.

On 16 August 2001, applicants filed a submission for entry into the national stage in the United States which was accompanied by, *inter alia*, the U.S. Basic National Fee.

On 19 October 2001, the USPTO mailed a NOTIFICATION OF MISSING REQUIREMENTS UNDER 35 U.S.C. 371 (Form PCT/DO/EO/905) indicating, *inter alia*, that an oath or declaration of the inventors in compliance with 37 CFR 1.497(a)-(b) and the surcharge for late filing of oath or declaration were required.

On 24 January 2002, applicants submitted the instant petition under 37 CFR 1.47, which was accompanied by, *inter alia*, a combined declaration and power of attorney executed by inventors Juergen Koller and Karlheinz Brandenburg.

DISCUSSION

A petition under 37 CFR 1.47 must be accompanied by: (1) the fee under 37 CFR 1.17(h), (2) proof of pertinent facts, namely that the inventor refuses to sign or cannot be reached after diligent effort,

(3) a statement of the last known address of the inventor, and (4) an oath or declaration by the 37 CFR 1.47(a) applicant on behalf of himself or herself and the nonsigning applicant.

Items (1) and (4) have been met. (1) The petition fee of \$130 has been paid. (4) The declaration submitted is accepted as complying with 37 CFR 1.47(a).

Item (2) has not been met. Applicants are asserting that the nonsigning inventor cannot be reached after diligent effort. It is noted that had this petition been based on the refusal of inventors to sign the declaration, applicants would have had to demonstrate that *bona fide* attempt was made to present a copy of the application papers to the inventors. MPEP 409.03(d).

Under 37 CFR 1.47(a), the petition must supply proof of pertinent facts. It is noted that "copies of documentary evidence, such as a internet searches, certified return mail receipts, cover letters of instructions, telegrams, that support a finding that the nonsigning inventor could not be found or reached" should be included. MPEP §409.03(d).

In this case, Mr. Schoppe states a request was submitted to the residence registration office in Erlangen and the telephone inquiry office. These are not documented. Further, a statement should outline what steps, e.g., internet searches, were taken to locate Mr. Rump beyond searching in Erlangen.

Item (3) has not been met. Applicants list the last known address of Niels Rump as Brueckenstrasse 13, Erlagen D-91056, Germany. This is also the address listed on the declaration. However, the inquiry at the residence registration office was in Erlangen and the letters were directed to an address in Erlangen.

CONCLUSION

For the above reasons, applicants' petition under 37 CFR 1.47(a) is **DISMISSED**, without prejudice.

If reconsideration on the merits of this petition is desired, a proper response must be filed within TWO (2) MONTHS from the mail date of this decision. Failure to timely file the proper response will result in abandonment of this application. Any reconsideration request should include a cover letter entitled "Renewed Petition Under 37 CFR 1.47(a)." No additional petition fee is required.

Any further correspondence with respect to this matter should be addressed to the Assistant Commissioner for Patents, Box PCT, Washington, D.C. 20231, with the contents of this letter marked to the attention of the Office of PCT Legal Administration.
